Do not "just show up", you will not be able to get in, if you are attending contact NSM Chief of Staff NOW. If you are not attending, are not sure, or maybe or might, DO NOT WASTE OUR TIME. Do not ask questions about meet up locations if you are not attending.

Here is the link to the adl whining about how this will be the largest gathering of white nationalists in 15 years in the USA. So those of you sitting home missing this event, you all know we been promoting it for awhile now, plenty of time to take off work or make arrangements to catch one of our carpools. See you there!

These pinkos are lucky I am on leg monitor. None of them Florida are brave enough to attack, And in Florida we have laws that grant us the right to legally kill people to prevent great bodily injury, So long as we were attacked while doing something lawful.
